

Caution: *DRAFT—NOT FOR FILING*

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information as a courtesy. **Do not file draft forms.** Also, do not rely on draft instructions and publications for filing. We generally do not release drafts of forms until we believe we have incorporated all changes. However, unexpected issues sometimes arise, or legislation is passed, necessitating a change to a draft form. In addition, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have at least some changes before being officially released.

Early releases of draft forms and instructions are at [IRS.gov/draftforms](https://www.irs.gov/draftforms). Please note that drafts may remain on IRS.gov even after the final release is posted at [IRS.gov/downloadforms](https://www.irs.gov/downloadforms), and thus may not be removed until there is a new draft for the subsequent revision. All information about all revisions of all forms, instructions, and publications is at [IRS.gov/formspubs](https://www.irs.gov/formspubs).

Almost every form and publication also has its own easily accessible information page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/form1040](https://www.irs.gov/form1040); the Form W-2 page is at [IRS.gov/w2](https://www.irs.gov/w2); the Publication 17 page is at [IRS.gov/pub17](https://www.irs.gov/pub17); the Form W-4 page is at [IRS.gov/w4](https://www.irs.gov/w4); the Form 8863 page is at [IRS.gov/form8863](https://www.irs.gov/form8863); and the Schedule A (Form 1040) page is at [IRS.gov/schedulea](https://www.irs.gov/schedulea). If typing in the links above instead of clicking on them: type the link into the address bar of your browser, not in a Search box; the text after the slash must be lowercase; and your browser may require the link to begin with “www.”. Note that these are shortcut links that will automatically go to the actual link for the page.

If you wish, you can submit comments about draft or final forms, instructions, or publications on the [Comment on Tax Forms and Publications](#) page on IRS.gov. We cannot respond to all comments due to the high volume we receive, but we will carefully consider each one. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

Instructions for Debtor

You received this form because a Federal Government agency or an applicable financial entity (a creditor) has discharged (canceled or forgiven) a debt you owed, or because an identifiable event has occurred that either is or is deemed to be a discharge of a debt of \$600 or more. If a creditor has discharged a debt you owed, you are required to include the discharged amount in your income, even if it is less than \$600, on the "Other income" line of your Form 1040.

However, you may not have to include all of the canceled debt in your income. There are exceptions and exclusions, such as bankruptcy and insolvency. See Pub. 4681, available at IRS.gov, for more details. If an identifiable event has occurred but the debt has not actually been discharged, then include any discharged debt in your income in the year that it is actually discharged, unless an exception or exclusion applies to you in that year.

Debtor's identification number. For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN). However, the creditor has reported your complete identification number to the IRS.

Account number. May show an account or other unique number the creditor assigned to distinguish your account.

Box 1. Shows the date the earliest identifiable event occurred or, at the creditor's discretion, the date of an actual discharge that occurred before an identifiable event. See the code in box 6.

Box 2. Shows the amount of debt either actually or deemed discharged. **Note:** If you do not agree with the amount, contact your creditor.

Box 3. Shows interest if included in the debt reported in box 2. See Pub. 4681 to see if you must include the interest in gross income.

Box 4. Shows a description of the debt. If box 7 is completed, box 4 also shows a description of the property.

Box 5. Shows whether you were personally liable for repayment of the debt when the debt was created or, if modified, at the time of the last modification. See Pub. 4681 for reporting instructions.

Box 6. Shows the reason your creditor has filed this form. The codes in this box are described in more detail in Pub. 4681. A—Bankruptcy; B—Other judicial debt relief; C—Statute of limitations or expiration of deficiency period; D—Foreclosure election; E—Debt relief from probate or similar proceeding; F—By agreement; G—Decision or policy to discontinue collection; H—Expiration of nonpayment testing period; or I—Other actual discharge before identifiable event.

Box 7. If, in the same calendar year, a foreclosure or abandonment of property occurred in connection with the cancellation of the debt, the fair market value (FMV) of the property will be shown, or you will receive a separate Form 1099-A. Generally, the gross foreclosure bid price is considered to be the FMV. For an abandonment or voluntary conveyance in lieu of foreclosure, the FMV is generally the appraised value of the property. You may have income or loss because of the acquisition or abandonment. See Pub. 4681 for information about foreclosures and abandonments. If the property was your main home, see Pub. 523 to figure any taxable gain or ordinary income.
